

P279 Deep Woods

Boy these legs are pure sin. I can't imagine these sandals looking any better. I appreciate the title of this one because you're not just in the woods with Miss Love-kit here, you're in the "DEEP" woods, where anything goes. Couple that notion with Jess's volcanic body language, unbuttoned shorts, and hair push, and that conveniently cupped rock starts looking like a pretty handy "love pit". Nice, all-American outfit too. And what a face, huh? Jeez...nothing here that's not Super-nice.
